President's Message: *Maye Wegner*, HASSDA President

Hello Dancers,
Number one couple, lead to the right do the grapevine twist! We don't do that call anymore, but we still have a "grapevine" and can use it very effectively to communicate with other dancers. Let's use our "grapevine" to promote the HASSDA Festival. You know dancers that I have not had the opportunity to meet yet. A personal invite is worth more than an announcement or flyers on the table. Personal invites allow you to tell other dancers how much fun you have had at the HASSDA festival. Remember HASSDA is your organization and its success depends on everyone spreading the word. As always a great line up of callers, add a crowd of dancers, and viola instant fun for everyone!

Have you visited www.HASSDA.WeSquareDance.com lately? Our historian, Carol Hershey has just posted LOTS of pictures from past HASSDA festivals. If you were there I can almost guarantee you were caught by her camera! Make sure you check it out, and tell Carol how much you appreciate her documenting your fun weekend. This site also gives you access to past issues of our HASSDA Newsletter.

Don't forget to pick up your pink, blue or purple ribbons! HASSDA is making every effort to make sure everyone has an opportunity to dance as much as they want at the festival. By letting other dancers know what position/level of dance you prefer, you will be able to square up as often as you like!

You talk, we listen! **Don't forget to attend our General Meeting on Saturday morning** and give us your ideas for making your festival even better! Want to serve on the board? Just let any of the current board members know and you will be on the ballot!

I will be looking for you in my square! Maye

Vice-President's Message: *Kelly Bockover*, HASSDA Vice President

WOW, another year has gone by, it seems like the last Spring Festival was only a couple of months ago!! Guess that is what happens the older you get, the time flies even faster, LOL.

I hope that everyone that attended the 2015 festival in Kansas City had a great time, and if so I am sure you are spreading the word so we can have another great one this year. The early registrations have been coming in fairly heavy this past month and I am hoping for many more. There will be some great callers again this year with **Eric, Mike, Bear** and **Carolyn** cueing and keeping the dance floors hopping. Be sure to check out the Festival Updates in the newsletter, as there are some very important dates listed, hotel reservation changes, as well as some entertainment updates.

Well, I guess that is all for now from me. Hope you are all doing well and really looking forward to seeing all of our HASSDA members, as well as new ones, at the festival in May. Yellow Rocks to all. Kelly

Newsletter Editor: Louise Colman, Newsletter Editor

Our Next HASSDA Festival is fast approaching and I am so excited for several reasons. One is the chance to reunite with HASSDA friends that I only see once or twice a year, Two HASSDA is trying some new things this year to make the Festival better for those of us that are truly “Solo”. We listened to the input from our dancers at last year’s General meeting. There will be a get-acquainted speed greet for Solo dancers, those without partners, on Thursday night after the Trail In dance. Please look for the “Pink/Blue/Purple” ribbons, this will make it easier to find someone to dance with during the Festival.

We always welcome our “Couple” friends whether married or committed, we couldn’t do without you nor do we wish to. We just want to make it better for those of us that have not found that “special dance partner”. We are a singles organization and it makes me sad to think of the many singles/solos that do not attend festivals because they “don’t have anyone to dance with”, we’re hoping to change that. We can’t take all the credit for this idea as the Iowa National committee for 2016 came up with the idea and HASSDA is helping to sponsor a Solo event (Ask me to Dance) they have planned in Des Moines for the National in June 2016 for Solos. The Missouri State Festival this Oct. 21st & 22nd here in Independence, MO will also instigate something of this sort to accommodate our Solo’s!

Some of you last year told me that you wished I had included directions to the Festival. To access the KCI Expo Center from I-29, take Exit 13 and go East about a block to Ambassador, turn right and the Expo center will be on your right. The Host Hotel is also right there. Also, Sat. night is traditionally” Red, White & Blue” night, just so you’ll know. Hugs, Louise

Please note; If you would like to list a special dance or festival that welcomes single dancers and will be happening within the six state region covered by HASSDA, please send information to: Editor (HASSDA-Newsletter@WeSquareDance.com). Please supply a brief write up with the information, and we will try to get it listed in the OUT AND ABOUT section of our next newsletter.

Historian: Carol Hershey

The HASSDA Festival is going to be here before we know it. It is time to start making arrangements for that weekend’s events so that you won’t miss out on the dancing and fun with friends.

The HASSDA page on Facebook has been available for over a year now. There are pictures on the page from past Festivals up to 2015. Flyers for other dances are posted daily, as well as photos posted by others from club dances, lessons and other events. Go to Heart of America Singles Square Dance Association and become a friend to see what is happening. Your clubs events and pictures can also be posted on this page.

Looking forward to dancing with you at the Festival in May or maybe in a square somewhere. The **Website** for HASSDA is: www.wequaredance.com/HASSDA/ Festival information, newsletters, pictures, etc., lots of information. See you in a square! Carol

Recalling an article from Sept. 2012 HASSDA Newsletter:

HASSDA: At our last HASSDA Meeting it was suggested we have a “Smoothie Hall” for newer and/or slower dancers that can’t keep up in our energetic Mainstream and Plus level halls but still enjoy dancing at the plus level. What are your thoughts of this?

MIKE HOGAN: I think the Smoothie Hall is a great concept and is seen by dancers as an extra reason to consider attending the weekend. It serves several purposes. I enjoy creative choreography as much as anyone, but that doesn’t mean creative has to be difficult or even that “creative” is for everyone. This concept is great for dancers who just want to relax, dance and enjoy the music, singing and company of others. High energy and challenging choreography is enjoyed by many dancers, but this style of calling can be too challenging for some dancers as they age, and can actually discourage new dancers. The Smoothie Hall provides a dance style that is very welcoming to new dancers, and we certainly need to welcome new dancers! It is also interesting that the concept doesn’t mean less calls. The concept can be applied at the basic, mainstream, plus and even the advanced programs if you choose. Frankly as a caller, it’s also a welcome change of pace. As I mentioned, I enjoy creative choreography, calling DBD and so on, but now and then it’s nice to just call smooth material and let the dancers enjoy it for what it is, good dancing!

2016 SPRING FESTIVAL UPDATES

- 1. April 12th, 2016** is last day of room block at the Holiday Inn KCI host hotel. **(SPECIAL NOTE: The cut-off date will not be extended this year, also if you are going to make your reservation through the website, the group code listed on the back of the registration flyer is now incorrect, it has been changed to HA6.)** If you are coming in from out-of-town or even if you are local and just want to make a weekend away from home you will want to stay at the host hotel. Not only for the convenience, but also for the very best in lodging.
- 2. April 15th, 2016** not only tax day, but also the final day for pre-registration. Please be sure to get registered before then (mail in registration must be post-marked no later than this date). Not only does this help us in planning and up-front expenses, it is also a great way for you to save \$10.00 on registration. And tell me, who could not use a little extra at tax time!!
- 3. May 12th, 2016** don't forget the Thursday night Trail-In dance with **"national"** callers **Eric Henerlau** and **Mike Hogan** and cuer **Carolyn Ahart**. The dance will start with an hour of mixers (squares & rounds) to help Solo dancers get acquainted. Couples are more than welcome to join in the fun! Total dance time will be 7:00 to 10:00 pm. This will be one great dance and a really fun way to get the weekend started.
- 4. May 14th, 2016** please be sure to attend the HASSDA General Meeting on Saturday from 11:00 AM to NOON. We would really like to see a larger number of members than in the past. This meeting is for you, we are there to get your feedback on how the association and the festivals are handled, good or bad. Your thoughts and suggestions are always welcome, as that is the only way the board knows if things are working or if changes need to be made.
- 5. AFTER PARTIES!!!** We have some great after parties planned for this weekend. They will start shortly following the evening dances.
 - Thursday night, **ATTENTION SOLO DANCERS**, be sure to attend the "Speed Greet" party following the Trail In dance. This will be a chance to meet other solo dancers and maybe line up some dance partners for the weekend. This party will be held on the patio (weather permitting) off of the Hotel lobby. Popcorn and/or snacks will be available.
 - Friday night will be skit night. Party will be in the Lobby Courtyard of the Expo Center. Stop by and have a seat to relax and watch some good fun skits. There will be popcorn available, so just grab a drink, get some popcorn, and sit and enjoy!!!
 - Saturday night will just be a farewell gathering in the Lobby Courtyard of the Expo Center. Stop by sit and relax on your last night of hopefully a very fun filled weekend. Say goodbye to all of your dancing friends that you might not see again for a while.

Things to Think About from Central Iowa Federation:

In today's society with so many options of things to do, it is hard to make the choice to dance or take long sets of lessons. Maybe we should have shorter sets of lessons. Would your club accept those people at our dances and be willing to dance at that level? Do we need to form new clubs with our new students so we can keep dancers? President: Jo Saffell

Please promote all the clubs in your area so we can all keep dancing.
